

Samiul Kamal-Uddin

Associate Director

BA(Hons), Dip Arch, RIBA

Samiul Kamal-Uddin will be the Project Associate. Samiul is an astute and talented leader and recently completed No.3 Minster Court for Buckley Grey Yeoman.

Almost 20 years international experience on projects spanning a broad range of sectors, including commercial, residential, mixed use, masterplanning, retail and education. Experienced on all phases of a project, from focusing on front end design, to delivering successful, award winning buildings. Believes a close working relationship with the client + team is essential for the design and delivery of quality architecture.
